Hard cover, 9-Volume Set Edition

(Total 7,379 Pages)

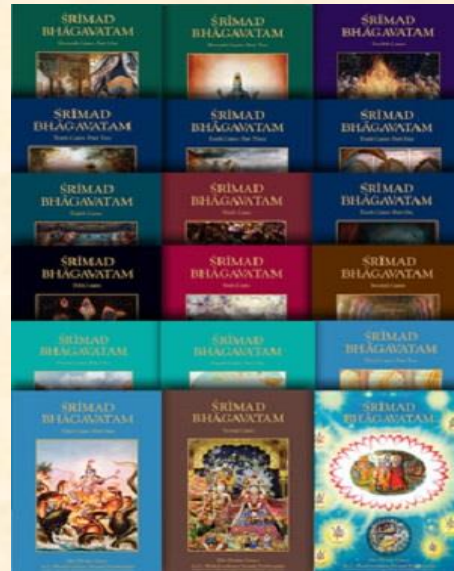

By His Divine Grace A.C. Bhaktivedanta Swami Prabhupada

In the early sixteenth century the West was on one course, the East on another. In India, Chaitanya Mahaprabhu was directing people inward, toward a scientific understanding of the highest knowledge of man's spiritual nature. *Sri Chaitanya-charitamrita* is the main work on the life and teachings of Sri Chaitanya Mahaprabhu, the incarnation of Krishna who appeared in India five hundred years ago. Lord Chaitanya introduced the chanting of the holy names of God as the prescribed method of God-realization for our time. He began what is today called the Hare Krishna movement, since the movement's founder, Srila Prabhupada, comes in the Chaitanya line of spiritual masters. Lord Chaitanya transformed the face of India in four respects: philosophically, by encountering, defeating and converting the greatest philosophers and thinkers of His day; religiously, by organizing the largest, most widespread theistic movement in India's history; socially, by His strong challenges to the religious inequities of the caste system; politically, by His organization of a massive civil disobedience movement in Bengal, more than four centuries before Gandhi. This English translation with commentary, by His Divine Grace A.C. Bhaktivedanta Swami Prabhupada, reveals his consummate Bengali and Sanskrit scholarship, his intimate familiarity with the precepts of Sri Chaitanya, and his pure devotion to God.

Srimad-Bhagavatam

Price: CAD \$351.0/-

Hard cover, 18-Volume Set Edition

(Total 11,827 pages)

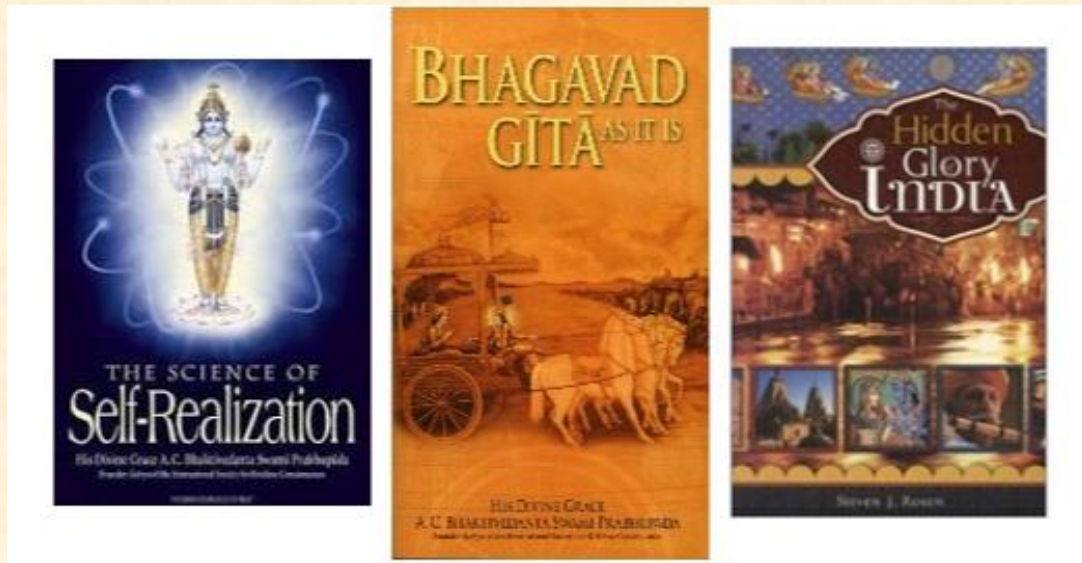

By His Divine Grace A.C. Bhaktivedanta Swami Prabhupada

Srimad-Bhagavatam, a philosophical and literary classic, holds a prominent position in India's voluminous written wisdom. This ancient text touches upon all fields of human knowledge. The timeless wisdom of India is expressed in the Vedas, ancient Sanskrit texts. Originally preserved through oral tradition, the Vedas were first put into writing by Srila Vyasadeva. After compiling the Vedas, Srila Vyasadeva was inspired to present their profound essence in the form of Srimad-Bhagavatam. Known as "the ripened fruit of the tree of Vedic literature," Srimad-Bhagavatam is the most complete and authoritative exposition of Vedic knowledge - covering everything from the nature of the self to the origin of the universe. The first verse of Srimad-Bhagavatam makes clear that because the book is intended for people serious about spiritual progress, it will not deal with sectarian religious ideas, philosophical conjecture, or worldly concerns. The second text promises that anyone who reads the book systematically will achieve the spiritual success meant for all human beings. Read about* ancient atomic calculations of time* accurate astronomical readings taken 5,000 years ago* descriptions of life on other planets* detailed study of the development of the embryo in the womb from the moment of conception* Buddha's arrival predicted 2,500 years earlier

We have Srimad-Bhagavatam in English, Hindi, Gujarati, Bengali and Russian Language

BOOKS FOR CHILDRENS, TEENAGERS AND ADULT READERS

Set 1: (3 books) (\$51.0/-) Plus one free book \$10.0/- or under of your choice

The Science of Self-Realization

(Hard cover, 339 pages)

This collection of articles by Srila Prabhupada from *Back to Godhead* magazine covers knowledge of the soul and the practice of *bhakti-yoga*. These interviews, lectures, and essays cover topics such as the goal of human life, seeking a true spiritual teacher, reincarnation, super-consciousness, Krishna and Christ, and spiritual solutions to today's social and economic problems.

Bhagavad-gita As It Is

(Soft cover - 990 Pages)

The *Bhagavad-gita* is the compact essence of all spiritual philosophy; at the onset of a world war, the warrior Arjuna asks his friend Krishna about the purpose of life, the difference between the self and the material body, and how to understand the ultimate cause of all causes. In just over seven hundred verses, Krishna comprehensively answers all of Arjuna's questions and then reveals His identity as the Supreme Personality of Godhead Himself, appearing on earth to usher in a new era of spiritual understanding.

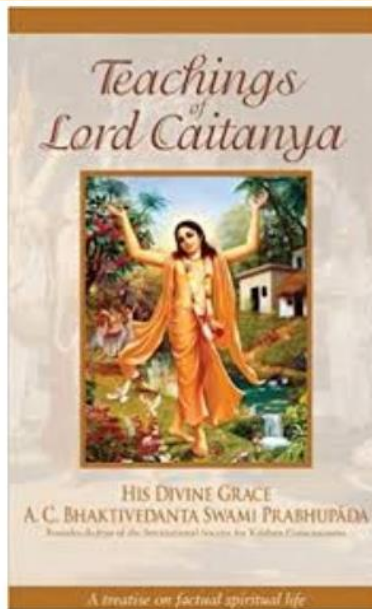

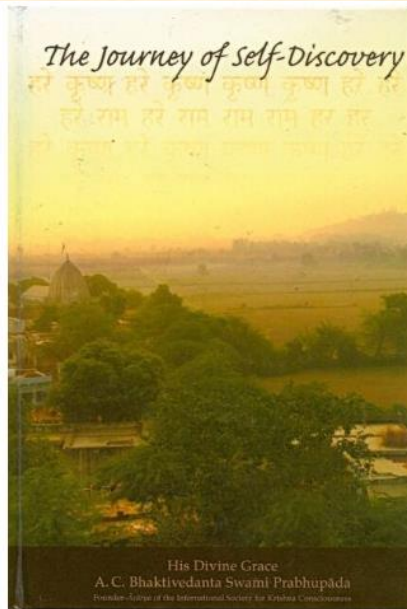

The Hidden Glory of India

(Soft cover - 192 pages)

A concise, colorful overview of philosophy and culture of Vaishnavism, or *bhakti-yoga*—the hidden glory of India. Vaishnavism (worship of Vishnu, or Krishna), in contrast to popular notions of "Hinduism," is not only monotheistic but highly personalistic in its view of God. Krishna has many expansions and avatars (incarnations), but He is seen as the one Supreme Lord, the Father of all that lives and the Creator of the cosmos. Unlike many books that explore India or Eastern spirituality, this work focuses on how Vaishnavism is India's richest and most significant religious tradition. Those familiar with Krishna, Shiva, Ganesha, and Brahma will find them here described in their full cultural and scriptural context.

The Journey of Self Discovery

(Hard cover - 302 pages)

Journey of Self-Discovery is a collection of transcribed conversations and lectures by Srila Prabhupada on a variety of subjects, including the means for achieving global unity, the myth of scarcity, spiritual economics, superior evolutionary models, and predictions of the future state of the world.

Teachings of Lord Caitanya

(Hard cover - 440 pages)

Teachings of Lord Chaitanya is an introduction to the most advanced and esoteric subjects contained within Krishna conscious philosophy, as presented by Chaitanya Mahaprabhu. The text is a summary of the multi-volume biography Chaitanya Charitamrita, which contains some of the most elaborate, technical, and ecstatic revelations of the science of God found in any scripture.

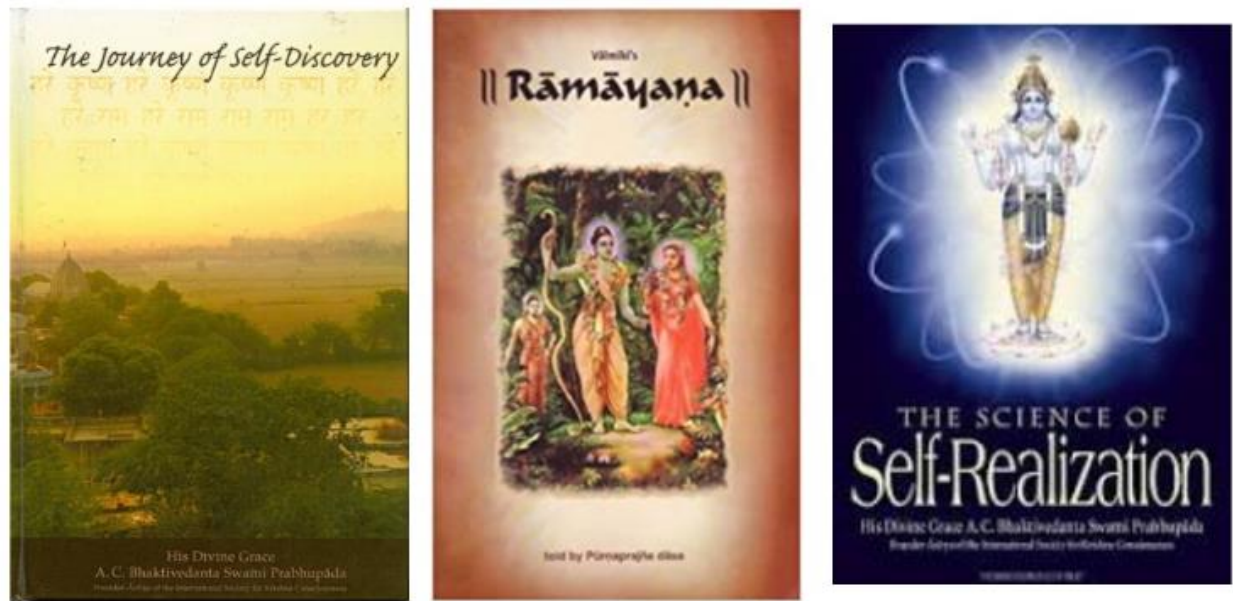

Prabhupada: Messenger of the Supreme Lord

(Soft cover - 452 Pages)

The riveting story of Srila Prabhupada's life will make you wonder how the world has largely missed this saint who recently walked among us. As a sociological, philosophical, or religious study, Srila Prabhupada's life story stands tall as a unique contribution to millions of individuals and to the world. If you read nothing else about bhakti-yoga, read this biography-the life of one soul steeped in pure love for God.

Teachings of Queen Kuntī

(Hard cover; 258 pages)

Queen Kuntī is a major figure in the history of the ancient world. As mother of the warrior Arjuna—to whom Krishna spoke the Bhagavad-gita—she appears again and again in historical epics such as the *Mahabharata* and *Srimad-Bhagavatam* as the saintly matriarch of a great dynasty torn apart by fratricidal war. Like many noble personalities of Vedic times, Kuntī devi understood Krishna to be the Supreme Person, the cause of all causes, Who had appeared at that time as her nephew.

Krsna

(Hard cover - 1039 pages)

The Supreme Personality of Godhead *Krsna* (pronounced "Krishna"), *The Supreme Personality of Godhead*, is a summary study of the tenth canto of the Srimad-Bhagavatam. The Bhagavatam is an encyclopedic, 18,000 verse text—divided into twelve Cantos—chronicling many of Krishna's various incarnations over the millennia. It also describes the creation and cosmography of the material universes, and the lives of many pure devotees of Krishna and how they attained perfection.
